

Delhi School of Public Health, Institution of Eminence & ThermoFisher Scientific Hands-on Workshop on Basics of Flow Cytometry

 **July 06 - 09, 2022** (Last date to register June 30, 2022)

Overview

Flow cytometry is a powerful and well established technology to effectively measure attributes of a single cell from the heterogenous cell population.

The workshop will cover basic principles of flow cytometry and provide a hands-on training on the most frequent assays and address the practical issues of routine flow cytometry experiments.

Course Highlights

- Basic principles of flow cytometry
- Quality assessment and instrument validation
- Experimental design
- Data analysis and troubleshooting
- Sample preparation
- Cell cycle and apoptosis
- Expression analysis

Registration Fee (To be paid after selection)

Students/Research
Fellow: INR 5000

Faculty: INR 7500

Industry: INR 10000

Email at: dsph.jdir@ioe.du.ac.in

Venue: Maharishi Kanad Building, Institution of Eminence, University of Delhi (North campus), Delhi
